

Science Conference in Hyogo(guidelines for applicants)

Learning Science through English

1 Goals

- 1) to increase the opportunity to implement scientific theories from a global context by broadening students' global perspective and promoting international exchange in the science and technology field
- 2) to improve students' English ability especially in the science and technology field via the use of presentations and Qs and As in English
- 3) to foster hopes and aspirations toward a career in the science and technology field for young people who will be the driving force of Japan in the future.

7 Eligibility for Participation

- (1) Only students at a high school, technical college (year 1-3), and/or six-year secondary school(year 4-6) can participate as presenters.
- (2) 5th Science Conference is open to the general public. Anyone can participate as an audience member. If possible, please let us know of your participation in advance. Then we will be waiting for you with your name card ready. Otherwise, please just come to the reception.
- (3) It is free of charge to enter the conference as a presenter or an audience member. However, no travel expenses of students or teachers will be covered. Teachers' travel expenses will need to be covered by their respective schools.

8 Application

Please fill out the application form and complete both of the two procedures below **by 17th, June 2019.**
Please write your presentation title and summary (about 100 words) in English.

- (1) Print out the application form and send it to the following address.

Hiroshi Yamanaka Hyogo Prefectural Kobe High School 1-5-1 Shironoshitadori, Nada Ward, Kobe 657-0804
--

- (2) Email the application form as an attached file to the following address.

E-mail : kobe-hs-core@hyogo-c.ed.jp (Hyogo Prefectural Kobe High School, Mr. Nakagawa)

E-mail title : 「SC 申込」

File name : 「SC 団体名」 (ex.) 「SC 神戸高」

9 Presentations

- (1) The presenters must present using a poster or slides. The presentation, poster/slides, and questions and answers must be in English. Explanatory notes and additional materials in Japanese can be used if necessary. Teachers may not help during the presentations.
- (2) The presentations need to be about science and/or technology.
- (3) Presentation time is 15 minutes. This includes time for Q and A. There will be a 5 minute break between presentations. During this time please fill in the advice sheet and move to the next presenter. Every presenting group should present 3 times, but this may change according to the number of participating groups.
- (4) Each presentation group can use a poster panel which can hold one poster of up to A-0 size. Kobe High School will provide desks, and extension cords for all groups. If you need them, please tell us your requirements in advance on the application form.
- (5) Slides will be projected on a panel of the same size as a poster panel (A0 size). If you require a PC or projector for your presentation, you will need to bring your own.
- (6) Microphones may not be used.

1 0 Other information

- (1) There is no parking space at the venue. Please use public transportation. However, you can find paid parking lots within walking distance of the venue.
- (2) In the buildings, please do not eat or drink outside the fixed areas.
- (3) Please make sure you do not leave any garbage in the venue.
